OFFICE OF

the Director of Food Supplies in

No. C1-2939/43-44.

Encls.

Date

June 1944,
18 July 44.To
The Secretary to Government,

Development Department (Supplies), BANGALORE.

Sir,

Continuance of Special Shiristedars in Mysore
and Hassan Districts. F

Adverting to Government Order No. SD.5673/A.85-43-14 dated 25th February 1944, and SD.8200-203/AD.85-43-27 dated 31st May 1944 ordering, inter alia, the appointment of 12 Special Officers for Harvest Acquisition work, I have the honour to state that the officers appointed were duly allocated for work in the Bangalore, Mysore and Hassan Districts pending approval of Government (Vide my letters of even No. dated 13-6-1944 and 26-6-1944.) The Deputy Commissioners of the Districts to which these officers were allocated were requested to terminate the appointments of the Special Shiristedars working in those Taluks to which Special Officers were posted, in accordance with the directions contained in the above Government Orders.

2. The Deputy Commissioners of Mysore and Hassan Districts have stated, that as the Special Officers are new to the work, it would be advantageous if the Special Shiristedars who have gained good experience of acquisition work in these areas are also continued. It is also reported that neither the Special Officers nor the other local officers can find time to expeditiously attend to the equally important work of distribution of foodgrains in these Taluks. The matter was discussed at the meeting of the Deputy Commissioners convened on the 17th June 1944 and they were also of opinion that the Special Shiristedars may be continued for some time.

3. In the circumstances, I request that orders of Government may kindly be obtained for the continuance of the Special Shiristedars till the end of September 1944, in Mysore and Hassan Districts. As regards, Bangalore District, the position is being examined and a separate report will be furnished.

4. Further, the action of the Deputy Commissioners of Mysore and

Hassan in having continued these posts in anticipation of sanction may also be kindly approved.

5. I am submitting separate proposals for continuance of the Special Officers for a further term of 3 months, as much acquisition work yet remains to be done in their areas and they have just now commenced work.

6. Copies of the reports of the Deputy Commissioners of Mysore and Hassan referred to above are enclosed. Early orders of Government may kindly be obtained for the continuance of the posts of Special Shiristedars in the above Taluks in Mysore and Hassan Districts till the end of September 1944.

I have the honour to be,

Sir,

Your most obedient servant,

B. N. S. N. S. N.

DIRECTOR OF FOOD SUPPLIES.

Letter No. 3447/43-44 dated 21st June 1944, from the Deputy Commissioner, ~~Hassan~~ District, to the Director of Food Supplies in Mysore, Bangalore.

Adverting to Government Order No. 3D.8200-203/A.25 dated 31-5-1944 sanctioning the appointment of 'Special Officers, Harvest Acquisition' and your Memo No. 01-2939/43-44 dated 7-6-44 posting four of them to this district, I have the honour to state as follows:-

According to the Government Order cited above, the special Sheristedars of the Taluks where the Special Officers join duty will have to be relieved of their duties. In this District, the Special Officers are posted to the following Taluks.

Chamarajanagar.
Nanjangud.
Krishnarajanagar.
T. Narasipur.

Nanjangud, Krishnarajanagar and T. Narasipur are paddy centres in this District, and paddy has yet to be acquired in these Taluks in large quantities.

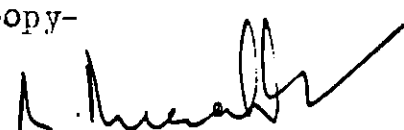

Chamarajanagar is mainly a jola centre and large quantities of jola have got to be acquired shortly. I deem that the assistance of the Special Sheristedar is very necessary to attend to the several intricate food problems of this Taluk. The surplus of paddy to be acquired there is also large. I think the duty of the Special Officer is mainly concerned with the acquisition work. If other works are entrusted to them, it will not be possible for them to cope up with the heavy acquisition work.

Besides, the Special Sheristedars have already gained field experience in these taluks and have an intimate knowledge of the food situation in their jurisdictions. The Special Officers would require some time before they can acquaint themselves with the situation in the Taluks and begin to acquire food grains in right earnest. During this interval the acquisition will suffer considerably if the Special Sheristedars are relieved immediately. The Special Sheristedars will be of great assistance to the Special Officers in the acquisition works.

The distribution work in these Taluks is equally important. Food grains, Sugar, and Kerosene have to be distributed among the people equitably without giving room to complaints of any nature. This work is no less important than the acquisition work. Neither the Amildar nor the Special Officer can find time to do this work. The services of the Special Sheristedars in all the aforesaid Taluks are necessary in the interest of Government work. My Food Assistant has brought this fact to your kind notice at the meeting of Deputy Commissioners recently held at Bangalore on the 17th and 18th instant. In these circumstances, I have issued orders to the Amildar to continue the Special Sheristedars in the above Taluks in anticipation of sanction of Government. I request that my action may kindly be approved and sanction of Government kindly obtained for the continuance of the Special Sheristedars in the aforesaid Taluks.

For Director of Food Supplies.

U.O. letter No. 31-226/43-44 from the Deputy Commissioner, Hassan, to the Director of Food Supplies in Mysore, Bangalore.

Re: Continuance of Special Sheristedars in the Taluks of Hassan, Arsikere, Chennarayapatna and Holenarasipur. ~~xxxxxx~~.

Adverting to your memo No. C1-2939/43-44 dated 7th June 1944 posting four Special Officers for the acquisition of foodgrains in the Taluks of Hassan, Arsikere, Chennarayapatna and Holenarasipur and ordering that the post of Special Sheristedars of these Taluks will cease from the date the Special Officers assume charge, I write to state as follows:-

The Special Officers have been posted temporarily for the acquisition of foodgrains from the growers as per the actual quantity declared by them in H.S. Form 2. The object with which these officers are appointed will be frustrated if they have not at their disposal the experience of officials who have already gained much experience of the local conditions and much time will be lost before the Special Officers gain the required knowledge of the local situation.

In view of the above circumstances, and also as per discussions at the meeting on the 18th instant regarding the importance of the continuance of these Special Sheristedars, I have continued the posts of the Special Sheristedars in anticipation of your kind approval.

I therefore request you to be so good as to kindly obtain the orders of Government for the continuance of the Special Sheristedars in the aforesaid Taluks.
